

WHEN **DISASTER** STRIKES ARE YOU PREPARED?

MAKE APS YOUR CALL TO **ACTION**

Ensure your company's emergency messaging is executed efficiently and effectively using Frontwork's cutting edge Asset Protection System (APS).

Integrated into your IT systems, wherever your people are APS will find and inform them – instantly.

APS taps into land lines, cell phones, SMS, e-mails, pagers, faxes, PDAs and pocket PCs.

Before your next emergency strikes, make sure you tap into Frontworks APS!
